

The diagram is a black and white grid-based representation of a complex shape. The x-axis is labeled from 0 to 60, and the y-axis is labeled from 0 to 10. The shape is composed of vertical bars of varying heights and widths, arranged in a way that suggests a 3D structure or a specific mathematical pattern. The top section is a long horizontal bar spanning from x=30 to x=55, with a height of 10. Below this, there are several smaller, disconnected sections, including a large horizontal bar from x=4 to x=32, and several smaller vertical bars and clusters scattered throughout the lower half of the grid.
