

A grayscale heatmap visualization of a handwritten digit '4' on a grid. The digit is formed by dark gray pixels, with a lighter gray background. The grid is divided into four quadrants by a vertical and a horizontal line. The digit is located in the top-left quadrant. The background is a light gray, and the digit itself is composed of several vertical and horizontal strokes. The grid lines are thin and light gray. The overall image is a square with a black border.
