

The figure displays a heatmap of a 20x20 matrix. The x-axis and y-axis are both labeled from 0 to 60, with major tick marks at 0, 15, 30, 45, and 60. The matrix is characterized by a prominent diagonal of dark blue squares, indicating high values. Additionally, there are several blocks of lighter blue squares, suggesting a structured pattern of lower values. The overall layout is clean, with a white background and a black border around the plot area.
